Brown EM POCUS Workflow

Clinical Scan
Contribute to patient evaluation and management; the majority of scans

Educational Scan
Practice scans only; the minority of scans

Ways to Enter Patient Data onto Ultrasound

Manual Entry
or
Barcode Scanner
or
Epic Order
If POCUS ordered, MUST perform & complete an epic note[1]

Manual Entry
or
Barcode Scanner

Perform POCUS

Perform POCUS

Documentation After Performing Scan

Qpath-e QA[2]

Qpath-e QA[2]

Epic Note
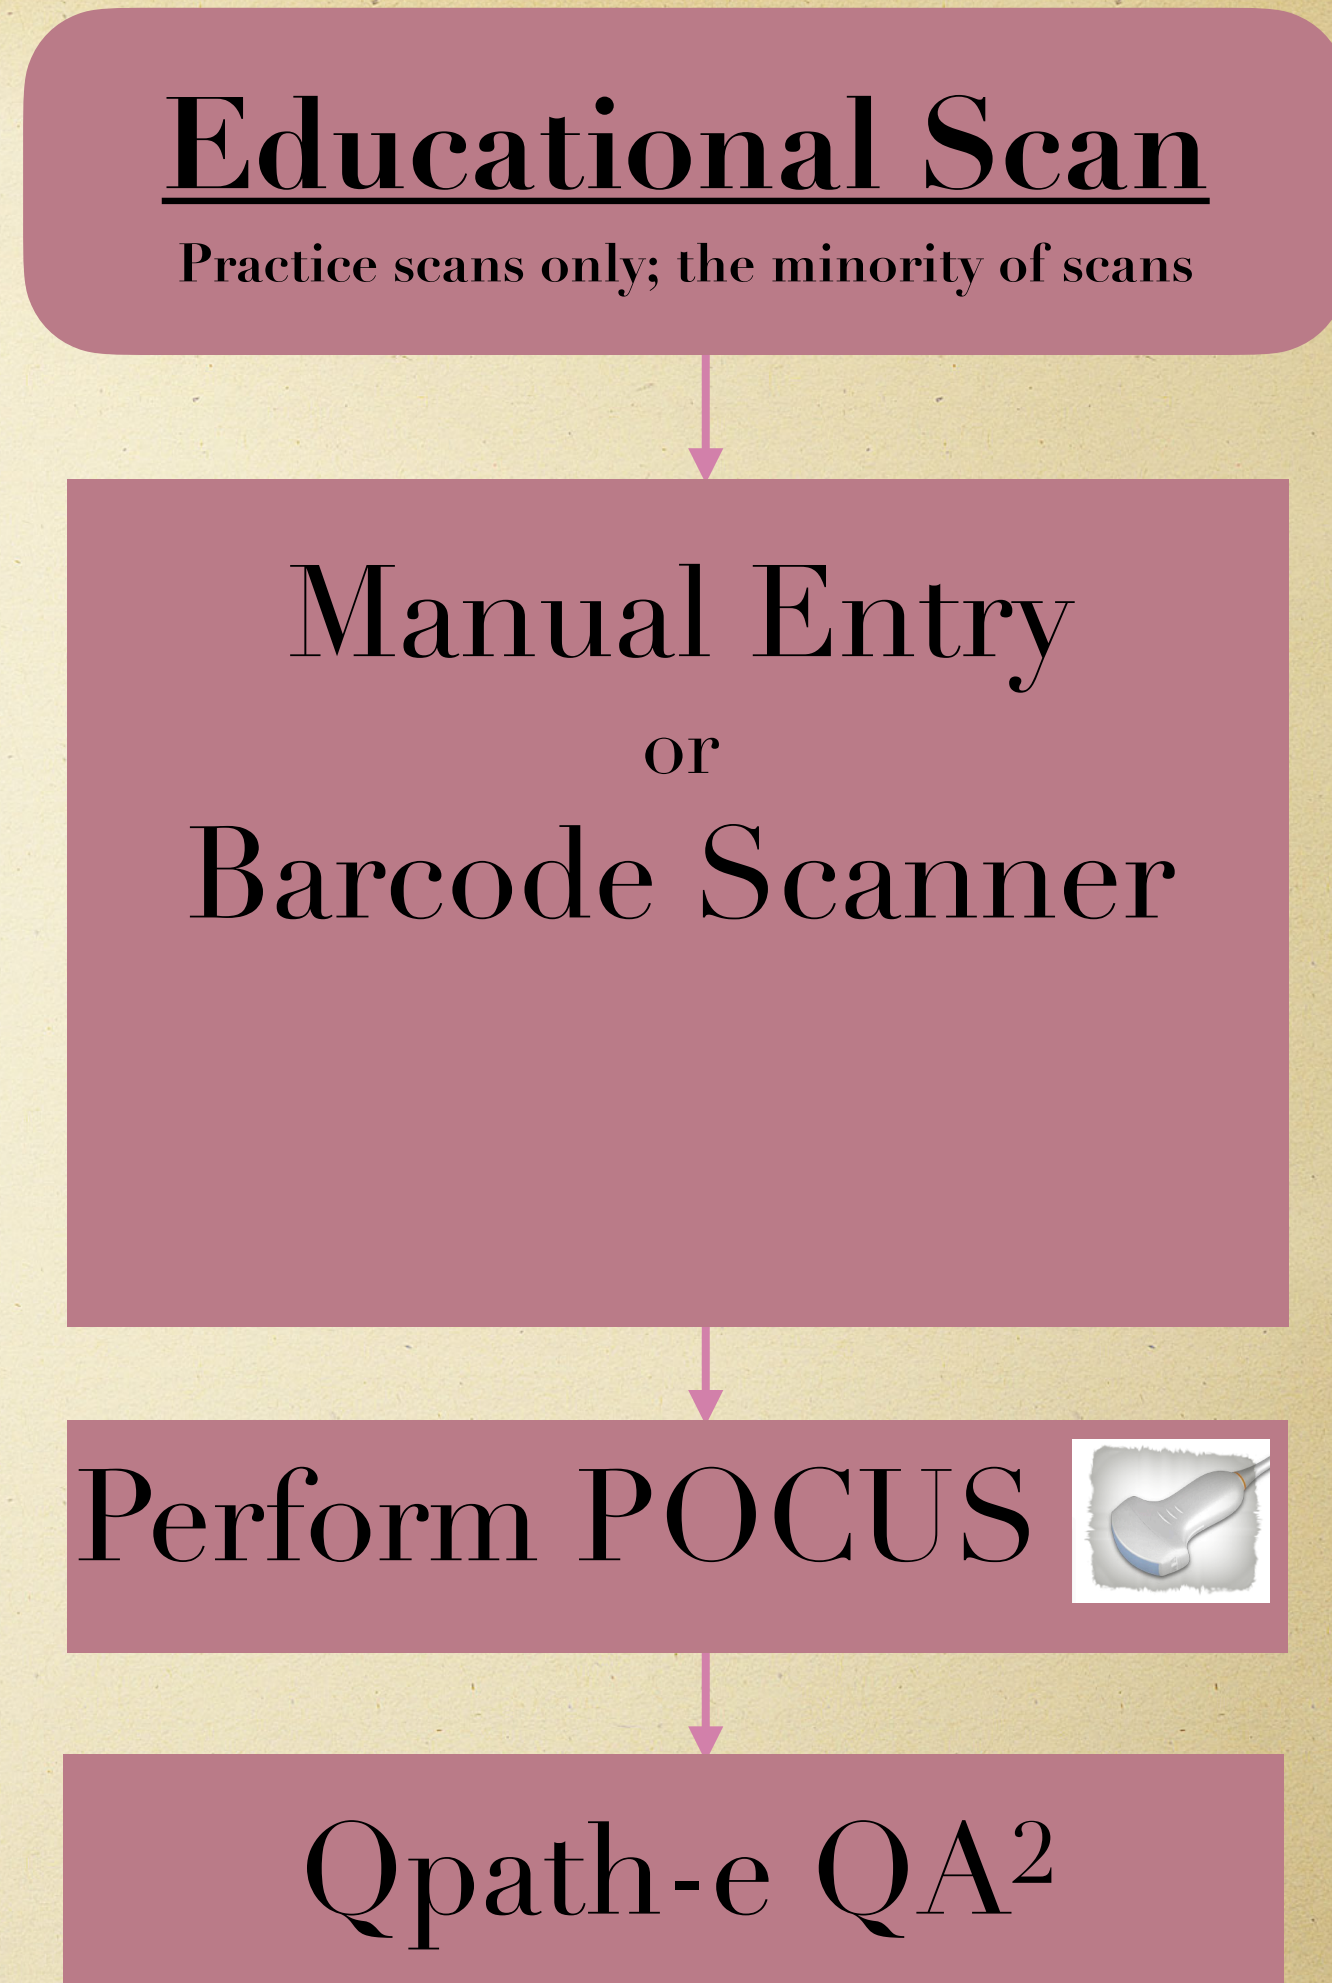

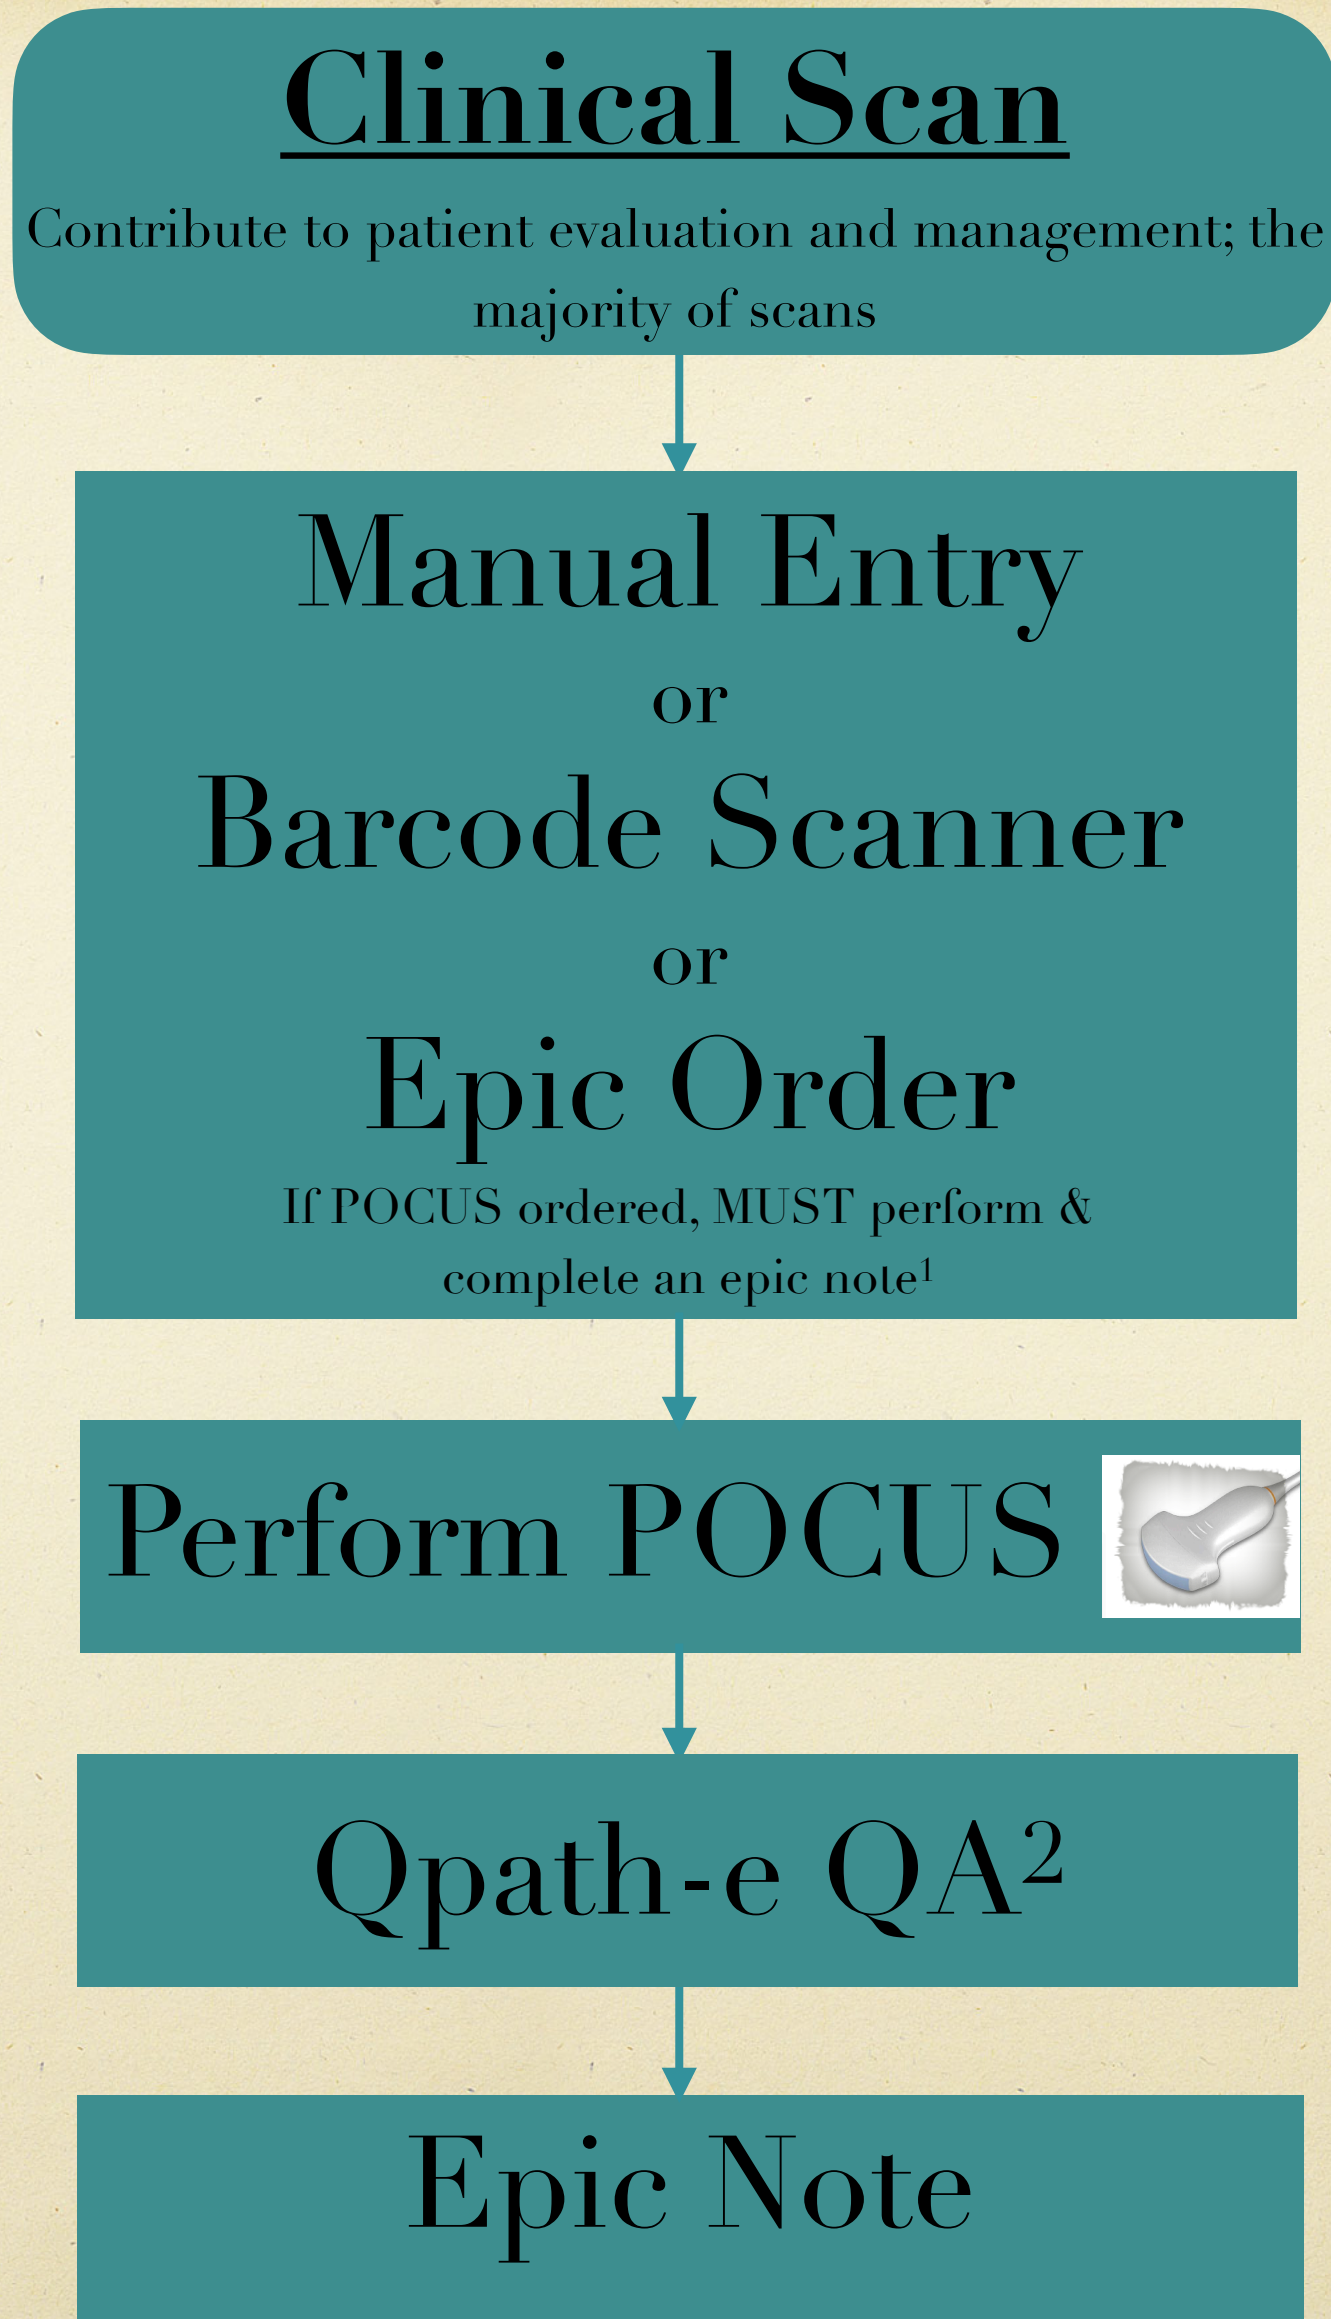

[1]Epic order for clinical scans only, there is an automatic facility fee charged once a POCUS is ordered. You must perform and document the scan, or cancel it. (send MRN to radit2@lifespan.org)
[2]Attending physicians ONLY need to submit 25/year through Qpath for QA (Lifespan policy for recredentialing). Residents must perform and submit 75 scans/year for QA for graduation.
