

Resident: A1JA 7a-4p shift

Handoffs	Care Areas	TEAM	Area Details
<ul style="list-style-type: none">• 7A - Take signout from overnight team• 3P- Sign out to incoming A1 team	<ul style="list-style-type: none">• A/G Pod• A Ambulance	<ul style="list-style-type: none">• A1 Attending• Senior resident (present to them) • <i>A2 Team will arrive at 10am and help see patients in the same care areas</i>	<ul style="list-style-type: none">• A/G Pod: Normal Prime spots - Start with patients here, can go to A Ambulance if no new patients here• A Ambulance: Patients will go to prime - Feel free to see if no patients to see in above areas

Other Things to Know

A Ambulance: You are welcome to see these patients but please staff them with your senior and have them review orders. Once satisfied only the senior or attending WILL flag the patient as "orders ready" which will trigger the nurse. Otherwise seeing these patients is no different than patients seen in the pods. They will move into A or G Pod when space becomes available.
